

This is to certify that

Mary Queen of Heaven Primary School

is a Dogs Connect Accredited Community

Accreditation with Dogs Connect means that your school has demonstrated competency at the minimum level or above. Your school has submitted evidence that supports and demonstrates a sustainable approach to authentically building connections with a wellbeing dog within your school community. Dogs Connect recognises your school for your level of practice and acknowledges that you are committed to continuing to provide a healthy, balanced, and sustainable working life for your school wellbeing dog.

**Congratulations and thank you for investing your time towards developing
best practice for your wellbeing dog and the broader school community.**
